

Dear Members and Friends,

We would like to extend a special invitation to you to attend our annual dinner meeting this year. The Genealogical Society of Whitley County was formed in 1995. This year marks our 20th year anniversary. The dinner program will give special recognition to the Charter Members who formed this Society. Our guest speaker for the program will be Dr. Michael Lacopo. He is a noted genealogist who has spoken at many conferences and workshops. Members of our group have heard him speak and recommended him for this special evening.

We look forward to seeing you at the dinner. It will be a wonderful evening with your Society friends. The meal will be delicious and well prepared by the staff at the Woodland's center. Mark the date -May 21, 2015- on your calendar and return the form below with your payment.
